

Please carry B & R Farms Dried Blenheim Apricots

Dear Store Manager:

I am a long-time customer of yours that appreciates the fine selection of foods you offer and am encouraging you to carry one of my favorites: B & R Farms apricot products.

B & R Farms is an 84 year old, 4th generation family owned and operated farm located in Hollister, California that grows and processes Blenheim apricots known for rich apricot flavor, silky skin and brilliant orange color. They offer dried apricots and a variety of dried apricot savory and sweet jarred products made from family recipes.

If you not familiar with Blenheims, they are what an apricot is supposed to look, smell and taste like! B & R Farms apricots would be a great fit for your store.

Please visit their website for at www.brfarms.com, call 800-390-9168 or emails Wholesale Manager Denise Cauthen-Wright at denisecw@brfarms.com.

Thank you for considering B & R Farms.

Sincerely,
